Overview of the Organization: For nearly 20 years, [Groundswell Fund](#) has put intersectional grassroots organizing led by women of color, including transgender and gender expansive people of color, at the center of our giving. We have provided an essential irrigation system for social justice movements – a channel into which individual donors and foundations can pour resources to reach vital work at the grassroots. In the process, we have modeled and manifested a remarkable kind of philanthropy.

With 800 individual donors and 40 national foundations giving into Groundswell; women of color and TGNC people of color who come out of grassroots organizing deciding where those resources go; and over 200 grantees led mostly by WOC and TGNC people of color receiving our support; Groundswell is proof that solidarity and beloved community across lines of race, class and gender is indeed possible.

Building on our 17-year track-record of success (\$100M in grants and capacity-building moved to the field thus far), in December 2020, Groundswell launched our new 2020-2025 Blueprint to move \$100M to the field (through our c3 and c4 entities) by 2025. The Blueprint offers a pathway for Groundswell to stay the course in our existing successful strategic direction and to innovate in response to new learnings and the unique needs of this historic moment.

Impact: Since 2003, Groundswell has moved more than \$100 million to the field in grants and capacity building support; increased the giving of dozens of national and local foundations; and helped bring thousands of new individual donors into the RJ movement. Our grantees have been instrumental in 538 policy victories at the state and local level to either pass pro-RJ policies or block regressive ones, and they have built a growing grassroots base of support for RJ across the U.S. Groundswell is proof that solidarity and beloved community across lines of race, class and gender is indeed possible. In December 2020, Groundswell launched our new 2020-2025 Blueprint to move an additional \$100M to the field (through our c3 and c4 entities) by 2025. The Blueprint offers a pathway for Groundswell to stay the course in our existing successful strategic

direction and to innovate in response to new learnings and the unique needs of this historic moment.

Department/Fund Summary: Groundswell Fund's Grantmaking Department supports over 200 organizations across the United States in 49 states, as well as Puerto Rico, the U.S. Virgin Islands, and Washington D.C. In 2021, Groundswell's Grantmaking Department, in partnership with our Capacity Building Department, moved over \$13M in grants to support grassroots movements. Our grantmaking focuses on bolstering and scaling organizations that are led by BIPOC communities seeking to change the material conditions harming our communities and advancing systemic change through various strategies including: base building, campaign development, policy and advocacy, uplifting innovative models addressing inequity in birth outcomes, and transformational organizing that centers community care and healing justice work. Groundswell Fund has a strong track record of supporting impressive grassroots base building organizations working towards policy wins and systems change.
